

## **BEST BUILD**

### PPH DRILL SCREWS

#### MULTI-MATERIAL FUNCTION:

Ideal for use in wood, fiberglass, or metal

#### SELF-DRILLING POINT:

Together, coarse screw threads and a self-drilling point design eliminate the need for a pilot hole

#### CORROSION-RESISTANT FINISH:

Carbon Steel plating offers moderate protection against rust and corrosion

- ✓ *Multi-Material function*
- ✓ *Self-drilling point*
- ✓ *Superior holding power*
- ✓ *Corrosion resistance*
